Egg

Date

1970-1972

Medium

egg shell

Description

Blown out egg shell. Painted lavender. Divided into two fields vertically by large pale green crosses with yellow centers and yellow dots between each arm. Each side of the egg has a large pale green cross with a yellow center and peach teardrop-shapes between each arm. ---- Note: Part of a collection of 25 eggs (19XX.827 - 19XX.851) contained in a wood and glass box. Box had "1970" written on the side and "72.1" in ink on the back. Removed from the box 02/2000. ---- In Easter egg display
