

Pants

Date

1920-1970

Medium

wool

Description

Part of man's kroj; thick cream colored wool; waist has an opening of 4 inches which is trimmed with red and black braid made from thick yarn; also trimmed with green and red stitching; rec and white cord drawstring in waistband; at each ankle there is a slit trimmed in a similar way as the waist opening; donor has written : "Cicmany, Slovakia" in black marker inside waist ---- ---- Donors included a calender page from 1976 that shows the kroj being worn. They purchased the kroj from the old man who owned it- the man in the calender picture is the old man's son. ---- Donors collected dozens of kroje from Slovakia and Moravia while members of a dance troupe.
