Description

Off-white blouse; sheer fabric; three vertical panels of cross-stitching in multi-colors; red, blue, gold, brown and black; geometric with floral borders; on either side of the center panel is a vertical strip of white geometric

stitching; these have thin red border lines; a line of four small red cross-stitched circles lines each side of the blouse; blouse's side seams and sleeve seams are stitched in a red rick rack pattern; the collar is gathered and stitched with several red threads; long red ties at neck with tassles on ends for closure; this is echoed at the sleeve ends; lines of the same multi-colored geometric cross-stitching cover each sleeve, from top to half way; beneath this is a line of the white stitching and then two more lines of the multi-colored; floral designs are across the top of the sleeve and across the top of the two multi-colored lines at the bottom of each sleeve; evenly spaced small red cross-stitched circles are on the blouse's back ---- ----
