

Basic Detail Report

Kroj

Date

1986

Medium

textile - cotton

Description

Part of woman's kroj; white blouse gathered neckline; red ribbon drawstring; 4.5 inch lace collar; bottom edge is scalloped; half sleeves; tops of sleeves are slightly gathered; three inch lace cuffs; red ribbons woven through white lace ribbon just above each cuff; used to tighten cuffs; floral embroidery on each sleeve (satin stitched); central design is small dark red daisy with yellow center and bright red outline; white space in between daisy and outline; on each side and above are light blue flowers that resemble tulips; center petal is dark blue with yellow teardrop shape above it; stems and several leaves in between all blue flowers and red flower three strands of plastic beads painted silver; all are attached to a flexible plastic ring (green) on each end with a metal hook; the strands are different lengths; bottom is the longest red skirt with gathered, elastic waistband; blue ribbon with alternating red and white flowers roughly seven inches from bottom; leaves in between each flower; a nearly identical, but wider, blue ribbon roughly two inches from first ribbon; two inch band of white lace sewn flush with bottom of lower blue ribbon; bottom of lace

scalloped, which ends roughly 2.5 inches above bottom of skirt black apron with black lace across bottom; two black ribbons with multi-colored embroidery at apron bottom; one flush with lace and one roughly 1.5 inches above it; large embroidered floral design above topmost black ribbon, stretches nearly the entire width of the apron; central flower is a small red daisy with yellow center and red outline; black space between daisy and outline; an identical flower is on either side of central; a light blue tulip is above the outer red flowers, with another on their outer side; center petals on tulips are dark blue with yellow teardrop shape above it; long stems wind around all these flowers; many leaves along stems; three yellow circles are in a vertical line above center red flower; four darts at waistband; wide black ties for closure black vest with gold metallic cording along all edges; cording is sewn into a chain of circular designs with a

unifying winding strand through the centers; five grommets on each side of front opening (ribbon would be laced through them for closure) Purchased in Wilber, Nebraska in 1986. Used for marching in parades in Connecticut.
