

Basic Detail Report

Petticoat

Date

1900-1960

Medium

Cotton

Description

Part of woman's kroj; starched white cotton with 1.25 inch tuck near hem; bottom is trimmed with triangular lace trim; petticoat is open-wrap around style; probably the first petticoat the woman would put on. Donors collected dozens of kroje from Slovakia and Moravia while members of a dance troupe; kroj was purchased in 1980 from Marian Vasko, who purchased it from Agnes Vojtech Stibravy

Dimensions

Overall: 25 in. (63.5 cm)
