Description

Part of man's kroj; short, heavy knitted sock; natural tan color toe and heel with red, black and yellow geometric patterns at top and in center of foot; ankle is split down the side ---- ---- Donors included a calender page from 1976 that shows the kroj being worn. (The socks in the picture do not match the socks donated.) They purchased the kroj from the old man who owned it-the man in the calender picture is the old man's son. ---- Donors collected dozens of kroje from Slovakia and Moravia while members of a dance troupe.
