Description

Part of man's kroj; short, heavy knitted sock; natural tan color toe and heel with red, black and yellow geometric patterns at top and in center of foot; ankle is split down the side ---- Donors included a calendar page from 1976 that shows the kroj being worn. They purchased the kroj from the old man who owned it-the man in the calendar picture is the old man's son. ---- Donors collected dozens of kroje from Slovakia and Moravia while members of a dance troupe.
