Vest

Medium

textile

Description

Part of a child's kroj; red satin(?) with off-white faux fur segments; fur segments are more or less outlined with rows of silver sequins; two lengths of white cording are woven around the sequins; a tiny clear bead is sewn down in the center of each sequin; the two short segments of fur on either side of the front opening have sequins on one side only (side closest to front opening); three small black sequins are sewn next to these rows; three small

black sequins are sewn in the centers of the other two segments on the front of the vest; four button holes on right side of front opening; three silver buttons on left side; the back of the vest is one large segment of faux fur with red satin along its edges; outlined with sequins like front; three gathered satin circles across bottom of fur; lined with sequins and clear beads, sequin in centers also; a few black sequins beneath the circles; many black sequins above in two circular patterns with six sequins in between these designs; lining is off-white with floral print (dark blue, brown, teal, bluish-green, mauve and pink)
