

Basic Detail Report

Vest

Medium

Wool, cotton

Description

A man's vest from the Danube River area; black wool with black cotton lining and heavy embroidery; no closures at front opening; embroidered border surrounds neck and extends down two front panels, as well as the front and back of waist; border combines a blue zig-zag stitch upon a white cross-stitched row with small flowers of green and pink; two of these borders are on each side of a floral pattern with yellow, red, purple, pink and blue flowers (daisies), and dark green stems with light green leaves; the arm holes have only a border of blue zig-zag stitch, white cross-stitch row and small green and pink flowers; the bottoms of both front sides (on opening, where pockets might be) have embroidered floral sprays in a triangular form; sprays have seven green stems and

flowers of varying sizes and colors (yellow, purple, white, blue, pink and orange); red star-shaped, round gold and silver sequins are also part of the floral pattern; back of vest has large triangular embroidered floral design in the center; three larger flowers (two blue and one orange) are at the base with varied green stems and leaves extending upwards from them; one small yellow flower is in the center of the base with similar flowers in blues, pink, yellow, purple and white scattered throughout the design; there are also red star-shaped and round gold and silver sequins scattered throughout ---- ----
