

Glass, Wine

Medium

glass

Description

A piece of blue etched glass; wine glass with blue background and clear designs decorating it; the body (holds the wine) is only three inches of the glass as a whole; it is decorated with leaf patterns and bunches of grapes that are connected by vines; these patterns have a frosted look to them; evenly spaced around the body and in between these designs are unique patterns created with vertical and slanted lines; a star design in the center of the pattern; leaf designs are at the top and bottom of the design; this design is wide and has a texture to it; the stem is clear and is textured and has additional etchings cut out of the glass (two tiny horizontal line groupings that are evenly spaced throughout the stem); the base is also clear and textured ----- Collected by donor's mother

Dimensions
