Description

White blouse with long puffed sleeves filled with tightly gathered sleeve inserts; inserts have six inch gathered cuffs with cutout work and white embroidery in floral and geometric designs from top to bottom; bottom edge scalloped; gathered with white drawstring; the blouse sleeves are gathered at the shoulders (thin line of black stitching at shoulder) and have eight inch cuffs; gathered at top and sewn to a white band that can be closed with white ties; band has red geometric embroidery around it; the cuffs themselves have floral designs in cutout work with white and black embroidery; the bottom edge is scalloped (created by cutout work); the blouse's collar is white with black cross-stitching; an eight petaled flower alternates with a lowercase letter "a"; a narrow band of geometric patterns runs around the bottom of the collar;

just under the collar (on the front) is a vertical line of black floral embroidery; next is a lines of black circles and then a line of scallops stitched into the fabric right on the edge of the front opening; this embroidery is on the right side of the front opening; the number "491730" is written inside the bottom left corner of the blouse's front opening (some numbers are hard to make out)
