## Shirt

**Medium**

textile

### Description

White man's shirt with cross stitching under collar and on cuffs; the collar is high and goes right around the neck; beginning at the collar and going half way down the shirt is an elaborately stitched rectangular area; star shapes with embellishments in between each one are stitched around the collar; this is also the design through the center of the rectangle; other lines and geometric designs are on either side of this pattern; the same design from the collar is around each cuff; all cross stitching is in blue and black thread, with some white accents; two snaps on each cuff; opening all the way down the back with eight

snaps for closure; four of these snaps are clustered at the collar
