## Beret

### Date

1930

### Medium

textile

### Description

Red beret (possibly for boy); floral embroidery on top and front of beret; one long beige stem that branches off with big and small leaves, and two beige flowers; one short stem has one leaf on it and one flower at its end; the stems start at the top of the vest and go downward; the short one curves over the long; the floral design on the front is more spartan with one long stem with green leaves and one beige flower; a small beige bud on a stem extends upward from top of flower ---- ---- ----
