### Date

1930-1939

### Medium

textile

### Description

Part of woman's kroj; short white blouse with half sleeves; gathered around neckline; thin embroidered pattern around neckline alternates between a white and red design, and black squares; puffed sleeves; cuffs gathered with band of floral embroidery (black, dark green, navy, purple); border of black floral embroidery above and below band; floral cross-stitching below band; flowers alternate between purple with navy center and navy with orange center; dark green leaves swirl in between and around the flowers; gathered white and navy embroidered lace around cuff ends belt; woven band in circular shape (no opening at any point); black with alternating straight red line, white and red line, straight red line, black and white line of a geometric pattern; the black and white geometric alternate between rick rack and a more floral-looking pattern black satin vest; six black buttons on the

left side of the front opening and corresponding holes on the right; a vertical line of green sequins begins near the bottom of the arm holes and extends over each shoulder to the back; rectangular shapes created by green sequined cording are on either side of the front opening; they extend to the back of the vest on both sides; within the sequins are two lines of rick rack created by folded purple ribbon; a navy sequined band is in between the purple rick rack; small purple embroidered floral designs are in the center of the rectangular shapes (more of a brocade fabric); brocade fabric in the center of the vest back; navy sequins and purple ribbon rick rack surround it; green sequins across top and on short sides; pattern continues on either side of the center with navy sequins, purple ribbon rick rack and more navy sequins; brocade fabric in the center of these areas (extend to front of vest); green sequins along bottom of vest back; small section of brocade fabric in center of vest bottom black satin apron; waistband is wider than apron itself; twisted purple cording around all sides of waistband; three hook and eye closures; apron is pleated from top to bottom; black embroidered lace around all sides; daisy centers on lace are in different colors (orange, navy, purple, green, maroon: repeats); wide band of floral embroidery beneath waistband (maroon, pink, purple, white, navy and dark green); band of white and navy embroidered floral design

around sides and bottom of apron (begins on one side of embroidered floral band and ends at other); green leaves are also in the band; green sequined cording on either side of white and navy floral band; two lines of straight purple stitching are at the hemline above the black lace black satin skirt with wide waistband; geometric stitching in purple, navy and yellow across bottom of waistband; skirt gathered beneath waistband; five bands of stitching just beneath waistband, alternating between teal and purple band, and navy rick rack design; black rick rack around hemline; geometric design in purple, navy and yellow around hemline; this design repeats one inch above the hemline design; a black band with floral cross-stitching, a navy ribbon and stitching on either side (none make it all the way around the skirt); purple and navy flowers with white detailing are on the black band, along with green leaves and an occasional small purple flower; long black ties at waistband; navy and white print lining around waist white rubac; gathered around waist on one side, straight skirt on opposite side; two white twill straps on either side of top; white ribbon with dark blue embroidery across one side, just above waistband; embroidery alternates between a floral design and geometric design
