

Basic Detail Report

Spa glass

Medium

ceramic

Description

spa glass painted in white and various shades of brown; image of a rosebud with short stem and small leaves molded onto front and back sides; KARLOVY VARY molded beneath rose on front side; glass is tall and a long, narrow spout runs the entirety of one side; large white sticker adhered near bottom on side opposite spout - For years Czechs and Slovaks have visited spas, purchased mugs and drank the mineral waters. The spout allows for drinking the minerals that settle to the bottom

Dimensions

Other: 6 × 1.75 × 4 in. (15.2 × 4.4 × 10.2 cm)
