ceramic

Description

yellow and tan mottled vase with a circular base and cylindrical vessel that has four slight corners; two opposite corners are decorated with dark mauve lines running down on either side of the corner; light blue flowers with green stems lie on either side with a green line dipping beneath the corner; the vase's top has four different openings as the corners rise up from its sides and meet at the vase's center; each opening is lined with dark green paint and a little pink at its top
