

Basic Detail Report

Necklace

Medium

glass, metal

Description

chain made of burnt orange glass beads sandwiched in between half-sphere pieces of metal; a small black bead rests at either end; these strands of beads attach to heart-shaped metal pieces that are decorated with feathers and floral designs; three much larger, spherical beads in a mustard yellow lie between the strands and the metal pieces; from these are attached another three mustard yellow beads and four strings of the smaller beads; one long strand connects the two metal pieces together; the rest hang down where four attach to a large metal piece that mirrors the two smaller metal pieces, the other strand, which is much shorter, ends in a teardrop-shaped mustard yellow glass bead; five short strands of beads hang from the bottom of the large metal piece; the

necklace has a narrow hook closure with a spherical yellow bead on the end of the opposite strand
