

Ornament, Christmas

Medium

glass

Description

spherical, blue ornament with a tall cylinder rising from its top; delicate spout on one side of the sphere and handle on opposite side of cylinder so it looks like a coffeepot; small white flowers formed from white glitter on both front and back sides, along with white leaves; silver cap and circular loop on top with yellow string attached

Dimensions

Other: 4.5 × 3.25 × 2.25 in. (11.4 × 8.3 × 5.7 cm)
